SoVi Vibroacoustic System

Delivering the latest healing modalities

Watch SoVi Video

VIBROACOUSTIC FEATURES

The SoVi Vibroacoustic System offers a versatile healing experience with flexible content delivery and advanced features:

- Ideal for massage and various wellness modalities
- Supports music, guided meditations, and binaural beats
- Built-in stereo speakers for use with or without headphones
- Vibration elements create full-body immersion
- Compatible with biohacking devices such as PEMF and red light

The SoVi Vibroacoustic System combines soothing sound and gentle vibration to enhance relaxation, reduce stress, and promote overall wellness during treatments.

ABC System

The innovative and patented ABC System, designed by Rebecca Savich, is the only solution that enables therapists to discreetly customize comfort levels both above and below the table surface using a powered system—ensuring clients remain undisturbed.

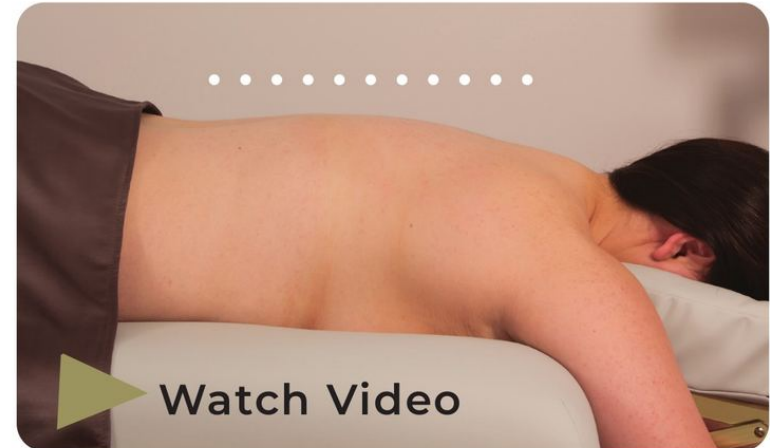

ABC SYSTEM FEATURES

The powered ABC system is adjustable to create the perfect level of support for each client, taking pressure off their breasts and tension out of their back.

ABC System is found in prestigious properties like: Hilton, Accor, Virgin Hotels, Beverly Hills

"The ABC System enhances client comfort, boosts relaxation, and sets our spa apart—keeping clients coming back!"

"The ABC system is a game changer for massage. I have never been more comfortable on a massage table! This is by far one of the greatest innovations for our industry in years. Where has this been my entire massage getting life?"

Kelley Martin

Chairwoman of ISPA,
The Houstonian Hotel
Club & Spa, Trellis Spa Director

Amani

A modern, curved massage table is the central focus, positioned in a luxurious spa room. The room features a large, curved window on the left that offers a view of a swimming pool and the ocean at dusk. The interior is characterized by warm wood paneling on the walls and ceiling, which is illuminated by soft, ambient lighting. A long, low wooden vanity with a white sink and several lit candles is visible in the background. The floor is highly reflective, mirroring the table and the room's decor. The overall atmosphere is serene and sophisticated.

SHOWN WITH STEEL
